America the Virtuous: The Crisis of Democracy and the ...

Ryn finds the ideology of American empire strongly reminiscent of the French Jacobinism of the eighteenth century. He describes the drive for armed world hegemony as part of a larger ideological whole that both expresses and aggravates a crisis of democracy and, more generally, of American and Western civilization.

America the Virtuous: The Crisis of Democracy and the ...

American values and principles were universal, he asserted, and should guide the transformation of the world. Claes Ryn sees this drive for virtuous empire as the triumph of forces that in the last several decades acquired decisive influence in both Urged on by a powerful ideological and political movement, George W. Bush committed the United States to a quest for empire.
