The book is well structured and presents a diversity of approaches, which is a huge advantage of the NGOs in Central and Eastern Europe.”? Polish-studies Interdisciplinary (Pol-Int) “This edited volume brings together scholars interested in social movements, political participation, and civil society in Eastern Europe. Beyond NGO-ization. The development of social movements in ...

This book gives a nuanced and updated view of social movements in post-communist Europe, by looking at the cases of relatively successful mobilization, by examining groups that have often been neglected in the discourse on social movements and civil society (including animal-rights groups, racist movements and non-feminist family organizations), and by giving a deeper analysis of the different strategies that civil society organizations and groups can use.
