When you are beginning a new task or learning something new it is always best to have a starting point. In this lesson you are given a starting point on the piano. That starting point is Middle C. From there we go up the keyboard using the white keys and make a C Major Scale. From the notes in that scale we are able to build chords. The chords we build are called triads or 3-note chords.

Sit down at the piano or keyboard and familiarize yourself with it. Play with it and identify the middle tones (middle of piano), flat tones (left black keys), sharp tones (right black keys), bass tones (low sounds) and high tones (high sounds). Really listen to each of them, and note how they are different from the others. Keep practicing until you can tell the difference between them.
