[Difference between Deviance and Crime | Difference Between ...](#)

Deviance and crime violate the norms and the laws of societies, respectively. These two concepts are often used interchangeably but are basically distinct. In some cases, they can overlap. For instance, deviant behaviors can be regarded as criminal and the converse, although rare, can also be true.

[Deviance and Crime: How Sociologists Study Them](#)

Sociologists who study deviance and crime examine cultural norms, how they change over time, how they are enforced, and what happens to individuals and societies when norms are broken. Deviance and social norms vary among societies, communities, and times, and often sociologists are interested in why these differences exist and how these differences impact the individuals and groups in those areas.
