Surgical Practice in West Africa E.Q. Archampong, V.A.  
Essuman Published by African Books Collective  
Current Challenges with their Evolving Solutions in ...  
The contributions in this Reader address common surgical  
challenges and what measures have evolved to  
countenance these problems. This therefore addresses  
Current Surgical Practice , placing emphasis on the  
principles underlying the consensus opinions prevailing in  
surgical management. The approach is practical, avoiding  
the minutiae of procedures for which appropriate  
references detailing

**PEPTIC ULCER DISEASE - UGSpace Home**

It is evident that in the local practice as elsewhere the management of peptic ulcer disease has become increasingly conservative; surgical interventions are virtually confined to complications perforations, bleeding and cicatrization. Control of the disease within the communities has been effective, but for problems of compliance on account of access to the necessary drugs in the community.
