[Agricultural Subsidy Programs - Econlib](#)

Modern agricultural subsidy programs in the United States began with the New Deal and the Agricultural Adjustment Act of 1933. With trade barriers already in place for agricultural commodities and everything else, this law gave the government the power to set minimum prices and included government stock acquisition, land idling, and schemes to cut supplies by destroying livestock. Land idling

[Denmark | Encyclopedia.com](#)

Total transactions in 1998 amounted to US\$10.7 billion. In retail, even though a few large players dominate the industry as a whole, there are still a large number of small shops; 3 out of 4 retail shops are one-person businesses, while the remainder are mainly small companies or cooperatives.

[Agriculture - EUROPA | European Union](#)

Agriculture and food related industries and services provide over 44 million jobs in the EU, including regular work for 20 million people within the agricultural sector itself. Thanks to its varied climate, fertile soil, the technical skills of its farmers and the quality of its products, the EU is one of the world's leading producers

and exporters of agricultural products.

**Encyclopaedia of Forms and Precedents (EF&P) - LexisNexis**

The UK's most comprehensive source of precedents for non-litigating solicitors. The Encyclopaedia of Forms and Precedents (EF&P) offers an unrivalled collection of non-litigation precedents for everything specialist and generalist practitioners are likely to encounter.

**Agriculture | National Portal of India**

This section provides the information on agriculture produces; machineries, research etc. Detailed information on the government policies, schemes, agriculture loans, market prices, animal husbandry, fisheries, horticulture, loans & credit, sericulture etc. is also available.

**Contract farming - Wikipedia**

Contract farming involves agricultural production being carried out on the basis of an agreement between the buyer and farm producers. Sometimes it involves the buyer specifying the quality required and the price, with the farmer agreeing to deliver at a future date.

**agriculture | National Geographic Society**

Agriculture is the art and science of cultivating the soil, growing crops and raising livestock. It includes the preparation of plant and animal products for people to use and their distribution to markets.

**Agricultural subsidy - Wikipedia**

An agricultural subsidy (also called an agricultural incentive), is a government incentive paid to agribusinesses, agricultural organizations and farms to supplement their income, manage the supply of agricultural commodities, and influence the cost and supply of such commodities.
