In this first volume, Kuznets measures quantitatively for the first time the legendary economic success of American Jews and discusses the foundations of these achievements. Tracing their distinctive concentration in the professions, he exposes the causes of the extreme inequalities in American Jewish economic life. In the introduction, Weyl shows that many of Kuznets' most influential ideas, were inspired by his study of the economic history of the Jews.

Immigration of Russian Jews to the United States ...

Introduction This chapter deals with the background of the mass immigration of Jews from Tsarist Russia to the United States. The movement began in the early 1880s, reached a crest in 1906, remained high up to World War I, was reduced sharply by that war, and then, except for a short period of substantial flows in 1920-24, dwindled to a trickle.
