Autism and Neurodiversity in the classroom, 4.6K likes. A community for sharing instructional and advocacy strategies for Autistic and neurodivergent Educational Leadership Features Article on Neurodiversity ...

I introduce the idea of neurodiversity, which has emerged from the autism community over the past decade, to provide a new approach to understanding students with disabilities. Neurodiversity suggests that we take the same celebratory attitude that we extend to biodiversity and cultural diversity, and apply it to students who have different ways of thinking and behaving in the classroom.
