African literature - Oral traditions and the written word ...

Oral and written storytelling traditions have had a parallel development, and in many ways they have influenced each other. Ancient Egyptian scribes, early Hausa and Swahili copyists and memorizers, and contemporary writers of popular novellas have been the obvious and crucial transitional figures in the movement from oral to literary traditions.

Oral tradition - Wikipedia

Oral tradition, or oral lore, is a form of human communication wherein knowledge, art, ideas and cultural material is received, preserved and transmitted orally from one generation to another. The transmission is through speech or song and may include folktales, ballads, chants, prose or verses.
