Mad Dogs and Englishmen (song) - Wikipedia

"Mad Dogs and Englishmen" is a song written by Noel Coward and first performed in The Third Little Show at the Music Box Theatre, New York, on 1 June 1931, by Beatrice Lillie. The following year it was used in the revue Words and Music and also released in a "studio version". It then became a signature feature in Coward's cabaret act.

out in the midday sun | 5 andy townend

This is the latest in what was intended to be a weekly collection of essays themed as out in the midday sun , which instead, has become a place for me (in or out of the sun, midday or otherwise) to write at random, and increasingly infrequent, intervals, on whichever subject seems worthy of note at the time.

Out in the midday sun? - Free Online Library

Made from tan, lightweight, open weave fabric, the shades block out up to 60 percent of the sunlight. They protect not only soldiers but also supplies, weapons, vehicles, ammo and other equipment. Their shade cuts down ultraviolet light and reduces hot surface temperatures--two culprits that damage your gear.
