[Value for money in the NHS: key issues for the 2010 ...](#)

This would be the most austere period for the NHS in over thirty years. Even with funding held constant, rising demands from an ageing population, together with higher public expectations driven by clinical developments, mean there is likely to be a substantial funding gap to be met by improvements in productivity and efficiency. The NHS Chief Executive estimates that savings of around 15- 20 billion will be required by 2013-14 simply to maintain the quality of care on offer.
