[Religion in the 21st Century: Challenges and ...](#)  
In this book internationally leading scholars from sociology, law, political science, religious studies, theology and the religion and science debate, take stock of the current interdisciplinary research on religion and open new perspectives at the cutting edge of the debate on religion in the 21st century.

[Religion in the 21st Century: Challenges and ...](#)  
In spite of the debate about secularization or de-secularization, the existential-bodily need for religion is basically the same as always. What have been Science and Religion in the 21st Century | Inters.org  
Science and Religion in the 21st Century is unlikely to survive to the 22nd century. Religion faces extraordinary challenges in the 21st century.

[Three challenges for global religion in the 21 st century ...](#)

Integralism is a challenge and a solution in that it offers a way to position oneself towards a globalised reality where every religion is now available and interacting worldwide. But the third challenge is one that is perhaps the most important of all, because it concerns the very future of humanity.
