[The Right to Security - Securing Rights or Securitising ...](#)

Abstract. The right to security is inherently ambiguous. It encapsulates on one hand a commitment to rights, which we commonly associate with absence from coercion, but on the other hand a commitment to coercion in the name of individual and collective security.

Securing the Right to Employment: Social Welfare Policy and the Unemployed in the United States by Philip Harvey
Twice since 1944 major legislative drives have been undertaken to enact statutory schemes that would have effectively guaranteed the right to employment in the United States, but neither of these efforts were successful.
