But, ask the villagers, is it right to invest in an education for an African girl who may become the property of another village? An educated woman will abandon the farm where she is needed, wear high heels and try to order men around! In the midst of it all, one Irish missionary, living in Africa and for the most time with Africans, literally wiggles his way into hearts and minds. With his African Books Collective: Tale of an African Woman Tale of an African Woman by Thomas Jing The village of Yakiri has been cursed by ancestral wrath because of the treatment of Yaa, the first girl who wrestled her male goatherd peers to earn the right to be initiated into the society of manhood.

Welcome to the African folktales page! - World of Tales

Africa is the second largest continent in the world. The earliest humans we know of are discovered in Africa. The people from Africa included unique characteristics in their folklore, showing their way of life and the animals and plants that surround them. African stories sometimes include trickster animals and spirits.
