Project management - Wikipedia

A project manager is a professional in the field of project management. Project managers are in charge of the people in a project. People are the key to any successful project. Without the correct people in the right place and at the right time a project cannot be successful.

Advanced Project Management - UKZN Extended Learning (Pty) Ltd

There is a project management knowledge gap existing among those responsible for managing projects within different industries. This programme has been designed to provide delegates with sufficient contemporary project management skills in order to allow them to be efficient in managing resources and time when working on projects.
