India's top companies are scoring remarkable successes on these fronts - and more. How? Instead of adopting management practices that dominate Western businesses, they're applying fresh practices of their own in strategy, leadership, talent, and organizational culture. In The India Way, the Wharton School India Team unveils these companies' secrets.
The India Way: How India's Top Business Leaders Are ...
The India Way is a well-documented and supported introduction to the modern model of Indian enterprise. Based on interviews with C-level and rising executives in major Indian companies, the book attempts to explain how the largest Indian companies work; how India's business leaders see themselves, their employees, and their socioeconomic obligations; and how they pursue those priorities in integrated and innovative ways.
