The Seven Years War and the Old Regime in France: The ...

Historians have disagreed about the economic effects of old regime wars in general and in particular. But through their disagreements runs one point of universal consent: these wars seriously damaged trade. Nowhere is this held to be more evident than in the case of France in the Seven Years War.

The Seven Years War and the Old Regime in France: The ...

Taking French participation in the Seven Years War as a case study, this book examines the effects of war on the economy and on government finance, finding that the economic toll has usually been exaggerated and the financial toll seriously underestimated. Originally published in 1987.
