Nigel Dodd's The Social Life of Money is fascinating.--- Diane Coyle, Enlightened Economist [T]his brilliant book helps reconsidering views, opinions and theoretical claims on money that might be taken for granted too easily. It is a must-read for any scholar interested in the topic as it helps to better understand the nature of money--or, of monies. Also, surely many future in-depth case studies of particular forms of money will gain enormously from this work.
Dodd, N.: The Social Life of Money (Hardcover) | Princeton ...
To answer such questions, The Social Life of Money takes a fresh and wide-ranging look at modern theories of money. One of the book's central concerns is how money can be wrested from the domination and mismanagement of banks and governments and restored to its fundamental position as the "claim upon society" described by Georg Simmel.

The Definition of Money What is money? The definition of money The history of credit and banking goes back much further than the history of coins.
The Social Life Of Money By Nigel Dodd: Book Review
In 2014, Nigel Dodd published a ground breaking book, The Social Life of Money, questioning what money is, how it works, what we think it is and how currencies are created. Indeed, Dodd explains that one of the problems currently is that our understanding of what money is has not kept up with the
